Color Coding

Color code descendants of an individual or ancestors of an individual or separate maternal and paternal lines.

The screenshot shows the Family Tree Maker software interface. At the top, there are tabs for 'Tree' and 'Person'. Below the tabs, there is a search bar with the text 'Index: 8629'. Below the search bar, there is a 'Sort' dropdown menu set to 'Family, Given Name'. Below the sort menu, there is a 'Find' search bar with the text 'Search person'. Below the find bar, there is a table of people. The table has columns for 'Family, Given name(s)', 'Color', 'Hints', and 'Death Date'. The table lists several people, including Remington, Daniel, Remington, Hannah, Remington, John, Remington, John, Remington, Joseph, Remington, Prudence, and Remington, Thomas. The 'Color' column shows a pink circle for the first three entries and a green circle for the last three entries. The 'Hints' column shows a green leaf icon for the last entry. The 'Death Date' column shows '1688' for the first John and 'Abt. 1709' for the second John. A dropdown menu is open on the right side of the table, showing options for color coding: 'None', 'Birth Date', 'Marriage Date', 'Death Date' (checked), 'Lifespan', 'Color Coding' (checked), 'Hints' (checked), 'FamilySearch ID', and 'Year Only'.

Family, Given name(s)	Color	Hints	Death Date
